# Musescore Fingering for Clarinet

Musescore Plugin for Clarinet.

Notes are from q to l and Q to K with qwerty keyboard.

Search ClarinetTab font at the bottom or in plugins.

## Doigté de Clarinette

The image displays a comprehensive set of clarinet fingerings for notes B through C. Each note is presented with its corresponding musical staff notation, a key signature symbol (sharp or flat), and two hand diagrams. The diagrams use red dots to indicate which keys are pressed for each note. The notes are arranged in three rows: the first row contains B, C, C#, D, D#, E, and F; the second row contains F#, G, G#, A, A#, B, and C; and the third row contains C#, D, D#, E, and F. The diagrams illustrate various fingering options for each note, providing a visual guide for the player.
